

Reserva

Merlot

TASTING NOTES

Nice red with brilliant notes.

Ripe fruits like dry plums mixed with nice aromas of red fruits jams. You can feel the ripen fruits again in mouth with soft tannins and a very smoothly body. It is very elegant with good acidity, which gives nice freshness at the end.

Goes very well with white meats like chicken, as well as ham, soft cheeses, different types of risottos, and pasta served with tomato or mushroom sauce.

Aging potential: It can be enjoyed now or cellared for 4 years or more.

Service Temperature: 16-18°C.
